

We asked local designers **Janice Lynch** and **Melissa Mathe** to work their magic with this sunroom. Whether your tastes are earthy and textural, or colorful and glam, each of these plans demonstrates that there are many different ways to showcase good design.

↳ To submit your design challenge, send a good-quality photo of your space to jessicah@richmag.com.

Every sunroom needs:
“Color and texture.”

QUICK TIP:
“To get the biggest impact from color, keep your overall palette neutral with big bold pops of color.”

WHO:

Melissa Mathe

Creative director, *Melissa Mathe Interior Design*

DESIGN PHILOSOPHY:

“Interior design is the relationship [between] how you use a room and how you feel in a room. A well-designed room will bring out the best in you.”
