

We asked local designers **Brooke Chappell** of Williams & Sherrill and **Melissa Molitor** of MMM Designs-Interiors to design a cool girl's bedroom. Their selections show two different ways to achieve a room that's stylish and cozy, and a tween girl's dream.

↳ To submit your design challenge, send a good-quality photo of your space to jessicah@richmag.com.

WHO:

Brooke Chappell
Consultant, Williams & Sherrill Interiors
